Sometimes...
I feel our life is too normal.

College, chai, movies...
Is that all?
There has to be something
more, right?

Adei...
Maybe we just
haven't found it yet.

Or maybe...
it will find us.

Hey look!
What's that?

A shooting star?
Make a wish!

Wait... that's not normal yaar!
it's way brighter!

Bro... let me capture this!
This looks crazy!

It's not just a star...
Feels different.

Why do I feel like...
it's connected to me
somehow?

A small light...
But it feels like
the beginning of something big...

LATER THAT EVENING...
AT THEIR REGULAR SPOT.

So... it's settled?
We're going this
Saturday?

Yeah ra!
New sci-fi release.
Heard it's

As the night gets deeper...

What is that...?
It's moving so fast...

A small light...
A big change...
Maybe this is just the beginning.

LATER THAT NIGHT...
ON THE WAY BACK HOME.

Bro... today was
actually fun ra!
We should do this
often.

Next time

trip. Not just movies.
Road trip ra!

Hmm...

SUDDENLY...
A STRANGE LIGHT IN THE SKY.

Hey...
look at that!

What is that?
Meteor?

It's brighter
than a normal
shooting star...

Wow...
it's moving weird!

IT COMES CLOSER...

This... is not
just a meteor...

It's coming
towards us!

A MOMENT LATER...

What the...?
This can't be real...

It's still glowing...

A small spark...
But it feels like
it carries a story.

EVERYONE MOVES CLOSER...
THE GLOW IS STILL THERE.

Bro... this is real!
It's not some
LED or reflector.

Could it be
from a meteor?
Or some scientific
thing?

I don't know...
But it feels like
it's calling me.

Ante... manam
dini touch cheyala?
(Shall we touch it?)

Maybe we should
take a photo first.

Careful...
We don't even know
what this is.

WILLIAM SLOWLY EXTENDS
HIS HAND TOWARDS IT...

I don't know why...
But I just feel...
I have to.

*Some things
find you...
not the other way around...*

JUST AS HE'S ABOUT TO TOUCH IT...

Wait!
Something's
happening...!

Look...
it's glowing
stronger!

Guys... it's
vibrating...!

Oh my God...

William...
be careful!

WILLIAM PAUSES...
HIS HAND HOVERS ABOVE IT.

What are you...
Who are you...?

*A single spark...
Can change everything...*

And in that moment...
William feels a strange connection.

SUDDENLY...
THE GROUND STARTS REACTING.

Woah...
It's actually
glowing!

It's not normal
ra... this wasn't
here before!

Everyone... step back
little. Let me check.

Bro... are you sure
it's safe?

Be careful
William...

Something
feels strange
about this...

WILLIAM TOUCHES THE GLOWING OBJECT...

It's just a small piece...
But why does it feel
so powerful?

*Some things
are not found...
They find you...*

AS SOON AS HE LIFTS IT...

It's... warm!

What is this...?

Dude...
that's crazy!

It's
pulsating!

I can actually
feel the energy
from here!

This can't
be normal...

What is it
really, William?

AT THAT MOMENT...

Did you hear that...?
It feels like...
someone is calling me.

*Not just a stone...
A beginning...*

THE GANG DECIDES TO LOOK CLOSER...

Shall we check
if there's any
marking on it?

Maybe it's some
kind of chip...
Or a part of a bigger
thing.

Let me see...
maybe there's
something written.

Dude...
it's heating up!
Look at that glow!

Are you sure
it's safe, William?

Be careful...
This doesn't
feel normal!

SUDDENLY...
THE STONE RESPONDS.

Wait...
there's something...
Look closely!

What is this symbol...?
Looks ancient...

AS HE TOUCHES IT AGAIN...
A FLASH OF IMAGES APPEARS.

1920

HYDERABAD

A MAN...

A HOUSE...

BUT NO LIGHT...

What...
is this...?!

THE VISION ENDS.
EVERYONE IS SHOCKED.

Did you guys
see that too?

Yeah...
that was real!
It felt like we
were there!

1920...
Hyderabad...
That house...
What is this
connected to?

I'm literally
shaking...

This is not just
a stone, William...
This is a clue.

*Some stories
are not written...
They are waiting
to be found...*

THEY DECIDE TO HOLD IT TOGETHER...

No matter what happens... we stay together, okay?

Always, ra... Whatever it is, we face it together.

This isn't just a stone... I feel like it chose us for a reason.

Let's find out the truth. No backing out now!

Whatever happens... we're in this together.

Some stories find us... Maybe this is our story.

SUDDENLY...
A MASSIVE SURGE OF ENERGY.

Ahh...!

What's happening?!

It's reacting to us!

Too bright...!

I can't see...!

It's pulling us...!

IN A BLINK...
EVERYTHING CHANGES.

Where... are we going?!

The past...
The truth...
The real story...
is just beginning...

BACK AT THE SPOT...
ONLY A FAINT GLOW REMAINS.

A small spark
can change everything...
TO BE CONTINUED...
